# GO FROM PASSION TO PROFESSION

# The LAST FLOOR

Choose between the clarity of a toxic death or the safety of a claustrophobic reality

**GAME TITLE:** V-Gas: The Last Floor

**TAGLINE / HIGH CONCEPT:** Survive the mutating V-Gas in a skyscraper laboratory before it consumes everything.

**GENRE:** 3D Action-Exploration / Horror

**PLATFORM:** PC

**TARGET AUDIENCE / AGE RATING:** Teen (13+) – PEGI 16 / ESRB T

**PLAYER MODE:** Single-player

**RELEASE STATUS:** Beta

**GAME SYNOPSIS:**

In a massive skyscraper laboratory, a mutating gas called V-Gas has turned the staff into grotesque monsters. You are a partially immune scientist navigating the facility from a first-person perspective, racing to climb floor by floor, evade mutated workers, solve puzzles. Survival requires quick thinking, combat, and exploration.

**GAMEPLAY OVERVIEW:**

**GAMEPLAY OVERVIEW:**

Navigate the lab in immersive first-person perspective

Engage in combat with mutated humans and security drones

Solve environmental puzzles to unlock access to upper floors

Explore each floor for clues, resources, and secrets

Manage tension with limited visibility, gas hazards, and enemy encounters
